

General English

Entry Requirements

Normally, you should have studied English language up to the level you are about to study.

Aim

To improve everyday English language skills

Course Content

The language skills of reading, writing, listening and speaking at the appropriate level, relevant to a variety of everyday situations. A range of teaching methods and styles are used, tailored to individual learning needs. Progress is continually monitored and students are often tutored in small groups (2 to 4 people) separate to the main class so that specific needs may be addressed. Support, advice and guidance is always available to ensure that progress and achievement is maximised.

Timetable

Typically 5 mornings a week

Start Date

On-going enrolment throughout the year

Fees

Please contact us or check our website for details of fees and payment.

Assessment

On-going assessment with an option of an externally-accredited qualification

Progression

Entry requirement for FE colleges and university courses.

Qualification

Community Revival certificate or City & Guilds ESOL Skills for Life certificate at the appropriate level.
